

AUTOMATIC PAYMENT AUTHORIZATION – INTERNAL

I authorize The Bancorp Bank, N.A. (Bank) to transfer funds from my deposit account at the Bank for payment of the below referenced loan, designed in PART 1.

I understand that transfers will be made monthly, unless the one-time transfer option is selected, on the due date of the loan payment. If the due date falls on a holiday or non-business day, the transfer will be made the next business day. This authorization will remain in effect until I have cancelled it in writing at least three (3) business days prior to the applicable payment date. For one-time transfers, the debit will be processed on the business day the Bank receives this completed and signed form unless it is received after business hours, in which case it will be processed on the next business day.

I also understand that if funds are not available on the due date, additional attempts will be made to satisfy the payment, up to nine (9) times over nine (9) calendar days. If the payment is not paid at the conclusion of the ninth and final attempt, I must make a payment by utilizing a different payment method. A late charge may be assessed. If your payments fail for three (3) consecutive months, we reserve the right to remove you from this service. You will be notified should this occur.

Note: If you authorize these transfers, you will continue receiving your monthly statements.
